

COMPLETION CERTIFICATE-GCC 21

FOR

NAME OF PROJECT: SPOT IMPROVEMENT ALONG KIJILA-BUKINGA  
(1KM), ITOPE-NGWASI-IBONDE(2.4KM) AND CONSTRUCTION OF BOX  
CULVERTS ALONG KIJILA-BUKINGA AND ITOPE-NGWASI-IBONDE  
ROAD IN KYELA DISTRICT.

CONTRACT NO: S10/013/2024/2025/W/103

EMPLOYER: REGIONAL MANAGER, TARURA MBEYA P.O.BOX 1840

PROJECT MANAGER: TARURA KYELA DISTRICT COUNCIL.

CONTRACTOR: M/S SANJP ENTREPRISES COMPANY LIMITED  
P.O.BOX 2313 KISIWANI STREET

In accordance with clause 21 (*Completion Certificate*) of the general conditions of contract and the joint inspections carried out on **02<sup>nd</sup> October, 2024** in the presence of the Employer, Project Manager and the Contractor, we hereby issue the completion certificate of the contractor to testify that on **02<sup>nd</sup> October, 2024** the contractor completed his obligations under the contract including supply of the contractor's documents and completed and tested all the works.

The approval is subject to the below listed defect and deficiencies being remedied.

1. Make pointing on constructed stone masonry wing walls.
2. Remove all formworks remaining in the structure.
3. Remove all remained construction materials away from the road.

You are required to make good the above defects and deficiencies within the defect liability period (DLP). In accordance with Clause of the contract, the DLP shall start from the date of issuance of this completion certificate and end on **02<sup>nd</sup> April, 2025**. You are required to notify the Project Manager, in keeping with clause of the contract, once you have completely remedied the defect and deficiencies listed herein. This notification shall form the basis for the inspection upon which the Defect liability certificate shall be issued.
